

The BITTER TRUTH[®]

DROPS & DASHES

These proprietary embossed white glass decanter come with a cork stopper and an additional black dasher in individual full colour The Bitter Truth style boxes.

Botanicals play an important role in creating our products and for the 10th anniversary of The Bitter Truth company we are focusing on the various parts of plants and

their characteristic flavor profiles. Available are four limited all natural editions, each capturing different flavor combinations that our nature's flora has to offer.

DROPS & DASHES

Blossom

Pale red amber-like in color, The Bitter Truth's BLOSSOM „Drops & Dashes“ showcase a variety of summer blossoms from around the globe ranging from aromatic jasmine, sweet hibiscus, earthy iris and charismatic lavender. Full of fragile fragrances the flower basket is harmonic and delicate with new discoveries in every new sip.

Nut

Dark brown amber in appearance, the flavor of The Bitter Truth's NUT „Drops & Dashes“ is driven by delicate notes of young black walnuts with hints of muscovado sugar, prunes & raisins in combination with high notes of roasted hazelnuts. Accompanied by aromatics of bitter chocolate and light espresso, the finish delivers gentle notes of cashew nuts and almonds.

Roots

Bittersweet, brown and intensively aromatic, The Bitter Truth's ROOTS „Drops & Dashes“ show bold notes of burnt liquorice in combination with smoked & sweet spices and bitter gentian root. Light floral notes of iris roots give support and supply the balancing high notes to round it off.

Wood

With its red, mahogany amber color, The Bitter Truth's WOOD „Drops & Dashes“ delivers bone dry aromas of oak wood, Peruvian bark, light spice and fragrant notes of sandalwood. The wood notes are distinctive soft, warm, smooth & creamy, while the aftertaste is full of sweet smoke with a root beer finish.
